

Instructions for Jury Questionnaire

This questionnaire is designed to obtain information about your background as it relates to your service as a juror in this case. We are using it to shorten the jury selection process. The purpose of these questions is to determine whether prospective jurors can decide this case fairly, based solely on the evidence presented at trial and the instructions on the law given by the judge. The parties and the Court have agreed that all information contained in this questionnaire will be kept confidential; to the extent the Court is ever required to release any responses in the questionnaires, your name will not be publicly released.

Please write your assigned juror number at the top of each page. Respond to each question. Your candor and honesty are necessary so that both the prosecution and the defense will have a meaningful opportunity to select an impartial jury. Your cooperation is of vital importance.

You are sworn to give true and complete answers, and those answers will be available only to the Court and the parties in this case.

From this day forward, until you have been formally excused from service, you are instructed not to communicate in person, in writing, or electronically about this case or the questionnaire with anyone, including your family and fellow jurors. Also, you should not go online or look at any source to learn more about the charges, the defendant, or any participant in the case.

Please fill out the entire questionnaire. Do not leave any questions blank. If a question does not apply to you in any way, write “N/A” rather than leaving the form blank.
